IMPACT: State

Summary of Legislation: This bill provides that an application for a Commercial Driver's License (CDL) from a holder of a CDL from another state must be conducted in accordance with federal regulations.

Effective Date: Upon passage; July 1, 2010.

Explanation of State Expenditures:

Explanation of State Revenues: Eliminating the requirement of completion of a written and driving examination for a CDL in Indiana may provide for the issuance of additional CDLs that otherwise may not be issued if not for the new requirement. The specific impact is indeterminable. The following table shows the fees associated with a CDL and where the money is deposited.

Fees	to MVHA	to BMVC	to Tech Fund
CDL (4-year \$30)	\$15	\$14.50	\$0.50
Amended CDL (4-year \$20)	\$10	\$9.50	\$0.50
CDL Learner's permit (\$16)	\$10	\$5.50	\$0.50
Amended CDL learner permit (\$10)	\$5	\$4.50	\$0.50

The fee for the CDL skills test is established by the tester and is not to exceed \$100.

Background Information: Over the last three calendar years, the state has issued, on average, 17,000 new CDLs, 5,728 amended CDLs, 5,094 duplicates, and 59,000 renewals.

The MVHA (Motor Vehicle Highway Account) may be used for road construction, reconstruction, and maintenance for cities, towns, and counties. The MVHA also supports entirely the operation of the Bureau of Motor Vehicles, a significant part of the operation of the Department of Transportation, about 56% of the operation of the State Police, and part of the operation of the state Department of Revenue.

The BMV Tech Fund supports technology for the Bureau of Motor Vehicles.

The Bureau of Motor Vehicles Commission (BMVC) is supported by the state License Branch Fund, which operates the license branches throughout the state.
